

Care Champion AWARD

POMONA VISTA CARE CENTER

For a valued employee recognized for their service and creating exceptional care experiences with our guests and team members.

Congratulations!

We are so thankful for our CNA Baltazar. Many guests have shared their stories with us when they discharge home how he has continuously gone out of his way to help our guests. One patient shared the following, "I am so thankful for Baltazar. He always comes to help me to the bathroom and bring me fresh linen. He has a genuine heart and cares for me and my family. This one time when I went out to the hospital, Baltazar took the time to text and keep in touch with my family. I wish I could personally hire him as my personal CNA." Thank you Baltazar for your great service.

Congratulations!

We are proud to acknowledge one of our outstanding CNAs who has always gone above and beyond with our guests at Pomona Vista Care Center. Most recently a patient shared with us the following; “Maria has always gone out of her way to care for me even when she is not officially assigned to my room. She is caring, attentive and knows what matters to me most. A fresh cup, a clean gown. Simple details that are important to me and makes me realize she truly cares. She is helpful and knows how to deliver great customer service.” Way to go Maria. Thank you for delivering unique care experiences to our guests!
