INTRODUCTION

Welcome to

POMONA VISTA
CARE CENTER

POMONA VISTA CARE CENTER is a 59-bed skilled nursing facility located in Pomona. Our team of qualified healthcare professionals help patients recover from surgery, injury or serious illness. It is our goal to individualize our guest's care and provide a home-like environment that is both safe, comfortable and hospitable meeting both their social and clinical needs.

Our seasoned staff (including our Director of Nursing with over 9 years at Pomona Vista) and our accomplished rehabilitation team are known for providing a caring, personalized touch in serving your loved one.

THE THERAPY SERVICES

Our experienced therapy team is committed to providing superior physical, occupational and speech therapy in an environment conducive to healing. Patients are empowered through customized programs to work toward restoring maximum functionality, independence and ability following hospitalization.

Our therapy services include:

- Orthopedic and neurological rehabilitation
- Chronic pain management
- Stroke recovery
- Strength training and conditioning
- Increased Mobility
- Coordination and balance
- Injury and fall prevention
- Safety awareness

NURSING SERVICES

We take a holistic approach to the care plan development. We assemble a team that includes administration, clinical, therapy, dietary, social service and case management professionals. We provide 24-hour skilled care and rehabilitation services in a comfortable and family-friendly environment. Our team works together with the patients and their family members to determine the optimal treatment plan for each situation.

We offer comprehensive clinical disciplines that include:

- IV therapy
- Wound Care, Wound Vac and wound debridement by certified wound specialist
- Pain management
- Cardiac and Pulmonary wellness program
- Nutrition & hydration programs
- Stroke rehabilitation
- Joint replacement program
- Restorative nursing
- Diabetic management & education
- Coordinated Care from medical director of nursing

ACTIVITY PROGRAM

We create positive and uplifting social programs and customized activities to match patient needs and capabilities.

Specific activities can include:

- Musical performances
- Fitness activities
- Stretching exercises
- Religious meetings
- Outside entertainment
- Trivia & history
- Gardening
- Field trips/outings
